CONDITIONS FOR PUBLICATION

The editorial board calls for manuscripts that analyse and evaluate issues of crime prevention, law enforcement, public safety, public order, border policing, leadership and management and overall support. Papers should be submitted by e-mail and should include the author's name, their service location, position and telephone number. The submitted manuscripts are peer-reviewed and the editorial staff reserves the right to edit the manuscripts and correct their content and typography. The published papers do not represent the opinion of the Police Scientific Council, but the authors' own viewpoints that are based on their academic freedom. Unacceptable manuscripts cannot be returned. The editorial board does not publish duplicate publications.
